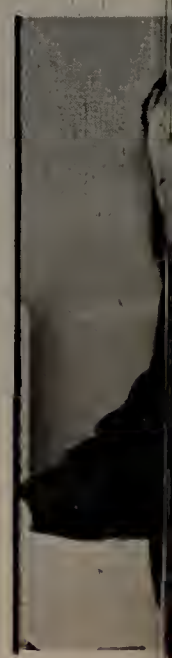
Dedication

We the class of 1971 proudly dedicate this yearbook to Mr. Harold Lane. In his first months here at Wachusett, he has proven to be an able administrator. But more than this, he has been a source of warmth and genuine concern for our school and its students. Many changes have come about thanks to his open-mindedness and imagination.

It seems suitable, therefore, to take this opportunity to thank Mr. Lane and express our feelings about him. The class of 1971 hopes that he may find the same satisfaction here that he has given to us.



M

Edward P. Yaglou
Superintendent

To the class of 1971

Most of us are concerned with change and improvement in our schools, our government, our homes. How long does change take? Dictatorship decrees change and it happens, on the surface at least. Whereas in a democracy, gaining public concensus takes time. Each person feels sure that if *he* were dictator, he'd decree the *proper* changes, however then we would all worry about who's going to be dictator. For two hundred years we have tolerated the sluggish pace of democratic concensus in the faith that the collective wisdom of the citizenry is better than the uncertainty of who is to be the dictator and what errors in judgment he might make. That's "the system" for us in the United States. Each of our ideas must pass the test: Can I convince 51% of the voters that it is a wise move?

So now, as you graduates step out to participate in the larger society, your former teachers will be watching with interest. Let us see if your ideas are good enough to pass the test. And let us see if you are willing to work hard enough to achieve that necessary concensus. This kind of thinking would seem to be an effective approach to our shared wish—for each other and for the world—Peace.

Edward P. Yaglou

Neal T. Skillings—Principal

To the class of 1971

Having nearly completed a successful four-year career at Wachusett, you are now about to begin a new phase of your life. As was true, also here in high school, this new phase will be only as successful as you care to make it. If you have worked to your full capacity through high school, you should be well prepared for the future. Continue to work diligently and to keep your standards high. Success will be the inevitable result.

Wherever you go; Whatever you do; may good fortune always be with you.

My very best wishes to you all,

Neal T. Skillings

Foreign Exchange Student Bronwyn Ellwood

In Memoriam

Stephen DeWitt

As we remember him . . .

. . . He had a quiet courage and the strength of his convictions . . ."

Marc Vincent duPont

Cassandra,
You old sunflower seed
You proved yourself unflapple
You grinned out from behind the paper
With a little joy and a little knowledge
And probably a little mischief.
David Williams

As orange light falls on old ideas, (By inscribing your oceanic page of confessions) you may find your soul revealed in a scribble.
Be kind to yourself, for it is only one and perishable.
For you are the destroyer of the past, present, future.
Cassy Camp

If you search for love you may never find, only because you have to look no farther than your own heart. It is something you can only give, never have.
Cassy Camp

Cassandra Camp

"Don't let the hour of the splendor in the grass pass, love, or be spoiled by clouds of any kind."
Wordsworth

In Memory Of
Spec. 4 Robert Nowicki

Away

Now I out walking
The world desert,
And my shoe and my stocking
Do me no hurt.

I leave behind
Good friends in town,
Let them get well-wined
And go lie down.

Don't think I leave
For the outer dark
Like Adam and Eve
Put out of the Park.

Forget the myth.
There is no one I
Am put out with
Or put out by.

Unless I'm wrong
I but obey
The urge of a song:
I'm—bound—away!

And I may return
If dissatisfied
With what I learn
From having died.

0	Southbridge	21
6	Tantasqua	0

Wachusett opened the season with a good performance against Shrewsbury, ending in a tie. The next week after leading 7-6 at half time, the mountaineers bowed to the determined Tomahawks. The game at Clinton proved to be the turning point of the season as the mountaineers offense felt its potential. Against Doherty, the mountaineers collected its second consecutive shutout at Foley Stadium. School history was made by beating the wildcats for the first time. The Red Raiders of Athol arrived to edge the Mountaineers in the final quarter. Wachusett got back on the right track the following game by downing Burncoat. We were defeated by Southbridge for the first time in 16 games. Turkey day was celebrated by a big 6-0 win. The Mountaineers finished the second winning season in a row with a 5-3-1 record.

"Every corner is a goal!"
"How we go baby!"

These are only two cheers out of many which express the tremendous spirit and determination which led this year's field hockey to their third consecutive undefeated season, with only one goal scored against it. The majority of the girls on this team were seniors and it proved to be a closely knit and unique team. Wachusett can be proud of the girls who earned such a fine reputation as a team of skill and good sportsmanship.

District III Championship—1st team
Concord Invitational—1st team
State Class Meet—3rd team
State All Class Meet—3rd team
New England Meet—5th team

The cross country team concluded a successful season despite the loss of key runners who were to enter the State Meets. Once again the team dominated the area track picture by regaining the championships won last year and by defeating all dual meet opponents. A highlight of the season was when Wachusett outran teams from New Hampshire and Vermont in the newly formed Concord Invitational Meet. Coach Warren's prospects for continuing success remain sound.

Due to late game heroics, Wachusett's Basketball team defeated Bartlett and captured the Clark Tournament for the second straight year. At the time of this publication, the team had completed a record of 14 wins in 20 games, just missing a berth in the District III Play-Off. As a young team, their future success appears bright.

Coach Toby Snelson—Captain Bruce Taylor

The defending league champion Green Machine began the season with an inexperienced team. With a few position changes to distribute the strength, the team had a slow start posting a record of 3-3-1 after seven games. With aggressive forechecking, great positional play, and a super team effort, the Green Machine started up its engine to begin a long winning streak. The tremendous balance of the club enabled them to wear down the opposing defensemen thus making it easier to score goals. At the time of this publication the terrific Green Machine was in a three way deadlock for first place in the Central Mass. hockey League.

Central Mass. Suburban League
Wachusett 1st team
Wachusett 1st team in CMSL Meet 34 pts.

For the second straight year, the Winter Track team reigned supreme in the Central Massachusetts Suburban League. Also, the team registered an undefeated dual meet season. These accomplishments were made possible because the team possessed over all team depth. Even with limited training facilities, the team was able to score in the State Meet.

2	Spencer	0
60	Notre Dame	68
41	Sutton	32
	Southbridge Invitational Tournament	
50	Notre Dame	56

The girls on the basketball team certainly did join the ranks of WinChusett Sports this season with a record of 12 wins and 3 losses. The team worked hard to earn their impressive season against a schedule of some tough competition. In addition the girls played in the Southbridge Invitational Tournament, losing to Notre Dame by only 6 points. Next season looks bright with the JV's coming along after having an undefeated season themselves.

The boys' tennis team came in second this year behind N.C.M.C. Champion Gardner. Coach Bill Rasku headed the team which had a good record of 11 wins and 4 losses. The team has many men returning next year and with this strong force, Wachusett may have another champion team.
